Forbes' Opposition, it is necessary for KR to have its engineer review and respond to the further engineering analysis which Forbes has proffered. Unfortunately, KR's Virginia based consultant is out of his office on business from May 20 until May 26, preventing him from preparing an analysis and response to Forbes' Opposition until after the current reply date. For this reason KR is requesting a one week extension of time in which to file its reply. This should provide sufficient time for KR's consultant to prepare his analysis which KR can then incorporate in its reply.

The requested additional time will not prejudice any party nor unduly delay this proceeding. Counsel for Forbes, KES Communications, Inc., and the Bureau have all consented to a grant of this request.

Wherefore, for the foregoing reasons, KR respectfully requests the Presiding Judge to grant it to and including June 1, 1993, in which to file its reply to the "Opposition to Motion to Enlarge Issues Against Lori Lynne Forbes."

Respectfully submitted,

KR PARTNERS
